"This program helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson with daily activities to ensure that they learn the root and the many English words it generates. The teacher's guide includes lesson plans with detailed notes about words from each root, overhead transparencies for introductory activities, standards-based connections, and differentiation strategies."--Publisher website.

Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 4 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

The Building Your Vocabulary Skills series is a three book set of workbooks to help children increase their vocabulary and become more confident in using new words correctly. Each book is divided into single-page activities with each page using a different strategy or theme to help you or child learn new words. This is the first of three books in the series and contains: over 60 pages of vocabulary exercises to help your child learn new words easy-to-follow tasks a wide range of activities covering different skills practice in matching words to definitions, finding synonyms and antonyms and so rting words into groups a lift-out answer section This series of books are designed to help your child at home, which will in turn improve their confidence in reading, writing, spelling and comprehension exercises at school. It would be useful for children to have a quality dictionary at hand when doing these exercises. This can avoid guesswork if they are unsure of an answer. Theoretically, then, there will be no errors for parents to correct, yet children will have still have added new words to their vocabularies.
